

International Conference x 3 + JPS meeting

Conferences are often held in the summer. Matsuda and some of the lab members participated in several conferences including [LT29](#) (The 29th International Conference on Low Temperature Physics), [APPC15](#) (The 15th Asia Pacific Physics Conference), [IEES2022](#) (The 11th International Conference on Sample Environment at Scattering Facilities), and the [Japanese Physical Society Meeting 2022](#) (Tokyo Institute Technology).
