

Dr. Kurihara and Mr. Fujita move out

Dr. Kurihara and Mr. Fujita will be moving out of Tokunaga Group. Dr. Kurihara will join Yaguchi Laboratory, Department of Physics, Faculty of Science and Technology, Tokyo University of Science as an Assistant Professor in April 2022. Mr. Fujita received his master's degree from the Department of Physics, Graduate School of Science, the University of Tokyo, for his thesis entitled "Magnetic-field-induced Semimetal-Semiconductor transitions in $\text{Bi}_{1-x}\text{Sb}_x$ alloys. We wish them both further success in their future endeavors.

The followings are the message from Dr. Kurihara.

“I would like to thank Prof. Tokunaga and all the people at the high field facility for their great support over the past four years, starting in April 2018. I will continue to make full use of my expertise in ultrasonic measurement to advance my research at the Tokyo University of Science. I would also like to make use of ultrasonics in my research and the education of students.”
