

collaboration with

- R. Yamada (Max Lab.), Kusamoto Gr., Katayama Gr.

with R. Yamada (Max Lab., Univ. of Tokyo)

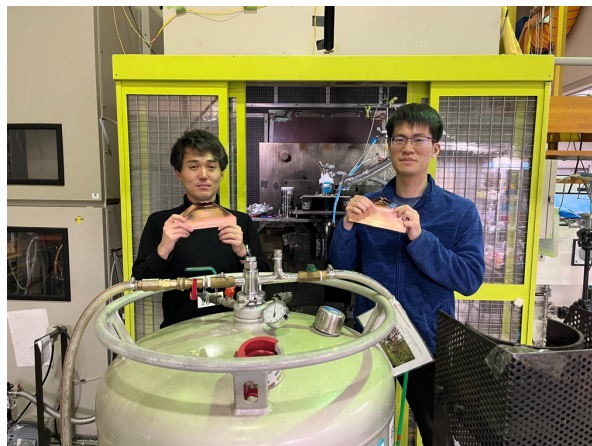

→ RF reflection-type impedance measurement @ vertical single-turn coil
with Kusamoto Gr. (Osaka Univ.)

→ magnetotransmission spectra measurement using Streak camera
@ horizontal single-turn coil

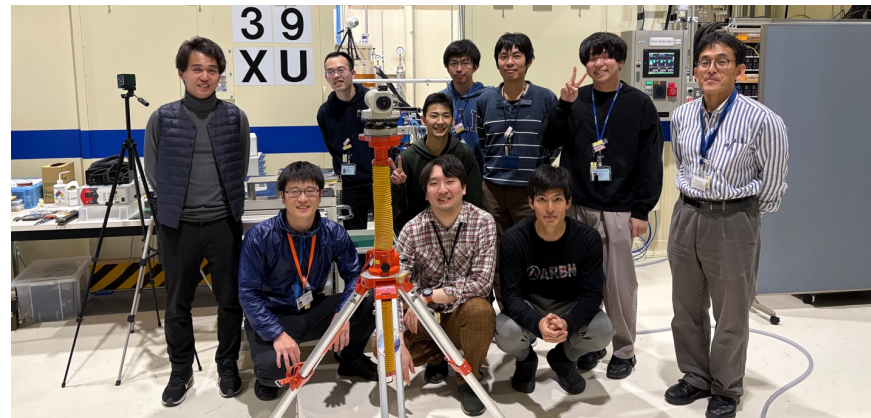

with Katayama Gr. (Nagoya Univ.)

→ EXAFS experiment under pulsed high magnetic field @ SPring8

a lot of collaborations !
