

- Science and Instrumentation for Extreme Magnetic Fields 2025
- Paper was accepted ! (P. Chiu *et al.*, J. Appl. Phys. **137**, 155903 (2025).)

- Science and Instrumentation for Extreme Magnetic Fields 2025 (4/2 – 4 in ISSP)
Several participants came from Toulouse (France). Great presentations and discussion !
- Paper was accepted ! (selected as a Featured Article !!)
「Development of techniques for dielectric constant measurement in matter in ultrahigh magnetic fields exceeding 100 T」
P. Chiu, Y. Ishii, and Y. H. Matsuda, J. Appl. Phys. **137**, 155903 (2025).
